EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Greg O'Bradovich, Reg. No. 42,945 on June 30, 2004.

2. The application has been amended as follows:

In the claims:

Claim 13 is amended to read:

Claim 13 (Currently Amended): An e-mail web page residing on a client computer for displaying e-mail message and streaming video, comprising:

a
1

- a text section displaying e-mail message status; and
- a streaming video screen displaying video stream data that has been optimized by a smart server process for providing optimum video data stream format for a video player residing on the client computer when the client computer accesses an e-mail system, the process including instruction to:

- test the optimum bandwidth of the client computer; and

- determine if the client computer is multicast capable;

Art Unit: 2154

wherein the e-mail system distributed simultaneously to a plurality of client computers e-mail web pages with optimum video streams matching the capabilities of the players of the plurality of client computers.

3. The following is an examiner's statement of reasons for allowance: None of the prior art in record taken alone or in combination discloses an e-mail web page provided to the computer of a client of an e-mail system for displaying text section for the e-mail message and streaming video screen for displaying video stream data that has been optimized by a smart server process for providing optimum video data stream for a video player residing on the client computer when the client computer accesses the e-mail system; wherein the e-mail system distributes simultaneously to a plurality of client computers e-mail web pages with optimum video data streams matching the capabilities of the players of the plurality of client computers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

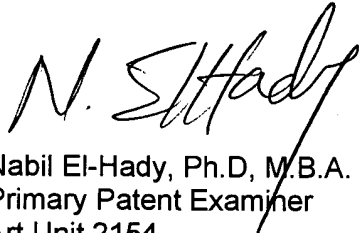

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nabil M El-Hady whose telephone number is (703) 308-7990. The examiner can normally be reached on 9:00 - 4:00.
